

## Literacy

Find and retell a short Roman story.

## Numeracy

Look out for Roman Numerals.

Create a poster showing the different numerals and their values or take pictures of any that you find.

## Art

Create a mosaic of something in your house.

## Art

Create a Roman theatre

# Autumn 1 Homework

*You should complete 3 tasks over this half term. Date them as you complete them. Homework should be handed in by Thursday at the latest.*

*Remember to shade in the topic 'blob' in your homework book.*

## Science

Our science Topic this term is Sound and Hearing- try to find as many different items you can that make a different sound. E.g. high pitched sounds such as a bell or low sounds such as a drum. Show us what you have found!

## History

Much of Britain has been shaped by the Romans. Research a part of Britain that still uses Roman Buildings/roads etc.

Where is the nearest Roman built item to where you live?

## History

Research which countries were part of the Roman Empire. Create a fact sheet or draw a map to show them.
