Year 6 Sats

We are incredibly proud of our wonderful Year 6 children for all of their hard work in the Sats week and for being all round brilliant at all times! Thank you for helping us to prepare the children for this and for ensuring that they arrived promptly and ready for the day.

Parking

Please be considerate to our local residents when parking near our school.

Stonehurst Farm trip!

Our EYFS children enjoyed a trip to Stonehurst Farm! They had lots of fun looking at the different animals and even had a tractor ride!

Wombles in Litter Education

The local team came in to see us to talk about the importance of ensuring that we put our litter in a bin. We had great fun finding out about their job and what we can do to look after our environment.

Support

Please reach out if there is anything we can help you with x

Uniform

We would like to remind all families that school uniform must be worn each day. Recently, we have noticed an increasing number of children arriving at school in non-uniform items. Wearing the correct uniform helps promote a sense of belonging and supports a positive learning environment. Please ensure your child comes to school dressed in the appropriate uniform. If you have any questions or concerns, please speak to your child's class teacher.

PSFA update

A big thank you to our PSFA for organising the virtual balloon race and the Sats breakfast for our Year 6 children! These were both a great success and truly appreciated! Thank you! We are looking forward to the events ahead this term!

Governor

We have an exciting opportunity to become involved with our school governing board. Please enquire at the school office for more information!
