

Enormous love

Christians and people of other faiths believe that there is one thing that you can't measure: love. You can't put a price on the love of other people. You can't measure it with a ruler or a set of weighing scales or any other measuring device - even a tape measure as big as the solar system!

Think of:

- the longest journey you've ever made . . .
 - the longest time you've stayed up . . .
 - the biggest meal you've ever eaten . .
 - the most money you've ever had . . .
 - the biggest crowd you've ever seen . . .
 - the largest thing you know about . . .
- Love is bigger than them all.

For as high as the heavens
are above the earth,
so great is his love
for those who fear him;

as far as the east is from the west,
so far has he removed our transgressions from us.

Psalm 103:11-12

Thank you, God, for all those who love and care for us.

Thank you that your love reaches to the highest heaven, and to the deepest ocean. Thank you that there is nowhere I can hide or run to, but your love is already there.

Please help us to be people who give love, as well as receiving it.

Amen
